

571—13.10 (455A,461A) Additional information or analysis required for permit review.

13.10(1) The director may require an applicant to provide additional information, at the applicant's sole cost, necessary to complete review of the application, including but not limited to study of alternatives to construction on public lands and waters, social and environmental impacts of the proposed activities, professional surveys to establish the social and environmental impacts of the proposed activities, professional land surveys to delineate or show real property boundaries and other characteristics, and a professional real estate appraisal of the value that a permit may convey.

13.10(2) If the applicant does not respond to a request for additional information within 90 days of such request being made by the department, the department may withdraw the application from consideration and the applicant must reapply for the permit.

13.10(3) When the director determines that the proposed activity will significantly affect the public interest, the director may hold a public meeting in the vicinity of the proposed activity. When a public meeting is held, the director shall consider public input in conjunction with other information collected or provided as part of the application review when acting on a permit application.
